HEALTH FORUM™

An American Hospital Association Company

Reprint: a reproduction of printed matter; a subsequent printing of an article already published that preserves the identical text of the original printing; a piece (such as an article) that has appeared in print before.

Use Health Forum's quality reprints for:

- Staff training
- Educational programs
- Product information packets
- Sales presentations
- Conference handouts
- Trade show distribution
- Media kits
- Marketing products and trends

The Basics

Quantity: Minimum order - 100

Size: 8" x 10.75" (our magazine size) or 8.5" x 11" (standard size)

Color: Black/white, 2 color or 4 color (process inks)
(PMS matched inks available at additional cost)

Paper: 70# gloss coated is standard; stock upgrades are available.

Customizing: Adding logos, contact information, highlighting text and reformatting are some of the "personalized" options available.

Finishing: Shrinkwrapping, three-hole punch, paper upgrades and folding for mailings are some service options available.
We'll be happy to give you details along with a price quote.

Proofs: PDF proofs are available on a cost per page basis. Paper proofs are available on request.

Turnaround: About 2 weeks from receipt of order. Allow ten business days to print and an additional 2-5 days to ship the order via UPS Ground. RUSH service available at additional cost.

Billing: Orders are invoiced after reprints are shipped. Terms—net 30 days. Customers can also charge their order against a major credit card using our convenient order form.
